United States to International Points)	

InterGlobe Communications, Inc. (“InterGlobe”) attests to its qualification for streamlined processing under 63.12 as follows:

InterGlobe is not a foreign carrier, nor does it control a foreign carrier as defined in Section 63.09(d), in any destination market.

No two or more foreign carriers, or parties that control foreign carriers, own more than 25% of InterGlobe or are parties to or beneficiaries of a contractual relation affecting the provision or marketing of international basic telecommunications services in the United States.

No owner of InterGlobe controls a foreign carrier in any country.

InterGlobe has no affiliation with a dominant US carrier whose international switched or private line services which InterGlobe seeks authority to resell.

InterGlobe seeks authority to provide switched basic services over private lines only to countries for which the Commission has previously authorized the provision of switched services over private lines.

InterGlobe seeks authority to provide switched services over private lines pursuant to 63.16 as follows:

InterGlobe will only provide switched basic services over its authorized private lines if the country at the foreign end of the private line appears on the Commission list of destinations to which the Commission has authorized the provision of switched services over private lines. InterGlobe does not seek to add a foreign market to the Commission’s list at this time.

InterGlobe responds to 63.18 (d), (e)4 and (g) as follows:

- (d) InterGlobe has not received previous authority under Section 214.
- (e) InterGlobe requests Section 214 Authority to operate as a resale carrier pursuant to the terms and conditions of Section 63.18(e)(2).
- (g) InterGlobe does not seek facilities-based authority as defined by Section 1.1306, therefore no environmental assessment as described in Section 1.1311 is applicable.
